

Session 1 - 9:00am-10:00am

Title	Ages	Description/Presenter
The Appealing Apple	5+	Learn some of the history and lore of the apple, conduct an apple rating, blind taste test and enjoy an apple snack. <i>Presenter: Joyce Benham</i>
The Science of Cheese Making	5+	Have you ever wondered how cheese is made? What better way to find out than to make your own mozzarella cheese?! Not only will we be making cheese but we will learn the science behind it and why cheeses taste different. <i>Presenter: Jennifer & Deanna Schwab</i>
Snowy Owls	5+	You'll want to keep this cute snowy owl on your shelf all year long. Easy to make and fun to decorate, you'll probably want more than one. <i>Presenters: Tiffani Aho, Brigitte Johnson & Lexi PFenninger</i>
Scrunchy Fun!	8+	Learn how to sew these simple hair accessories. It is an easy and fun activity with endless possibilities. Participants should be able to use a sewing machine for straight stitching. Cloverbuds will need to bring an adult helper. <i>Presenter: Marie Cross</i>
Easy Origami Fabric Ornament	8+	Make a folded holiday pocket with a hanger to hide a small surprise inside. You will sew on the sewing machine, use a hot glue gun and use pinking shears. A nice tiny gift for a special person. Cloverbuds can participate with an adult helper. <i>Presenter: Mary Ann Scharmberg</i>
Elements of Drawing	8+	Join Naomi for a hands on look at the 5 elements of drawing. <i>Presenter: Naomi Kenyon</i>

Session 2 – 10:15am-11:15am

Title	Ages	Description/Presenter
Chemistry in the Kitchen	5+	Join in the fun of hands on science experiments and demonstrations all about food and cooking. <i>Presenter: Amber Charlebois</i>
The Electric Pumpkin-	5+	Using a power drill to turn a pumpkin into a luminaire for an eye catching centerpiece. <i>Participants must bring a gutted pumpkin with them.</i> Participants under 10 must have an adult helper. <i>Presenter: Joyce Benham</i>
Recycled Art-Newspaper Projects	5+	Learn how to roll and fold newspaper to create picture frames, bowls or cute little critters! All ages are welcome, though Cloverbuds and young 4-H'ers will need extra helping hands. <i>Presenter: Jessica Sexton</i>
Wind Chimes	5+	Create a one of kind wind chime with some everyday materials. Each participant will learn how to string up beads, shells, and other found objects for a unique and colorful addition to any window or outdoor space. <i>Presenter: Jeanne Nutting</i>
Easy Origami Fabric Ornament	8+	Make a folded holiday pocket with a hanger to hide a small surprise inside. You will sew on the sewing machine, use a hot glue gun and use pinking shears. A nice tiny gift for a special person. Cloverbuds can participate with an adult helper. <i>Presenter: Mary Ann Scharmberg</i>
Scrunchy Fun!	8+	Learn how to sew these simple hair accessories. It is an easy and fun activity with endless possibilities. Participants should be able to use a sewing machine for straight stitching. Cloverbuds will need to bring an adult helper. <i>Presenter: Marie Cross</i>

Session 3 - 11:30am-12:30pm

Title	Ages	Description/Presenter
