## 2020 Livingston County Agriculture Program Enrollment - \$20

Enrollment entitles businesses to a listing in the Business Directory published annually in the *Livingston County Agricultural News*, if indicated. Extension resources remain a competitive cost bargain, with strong county government support maintaining our overall structure.

## 2020 NWNY Team Enrollment - \$50

### WHY ENROLL WITH THE TEAM?

We continue to maintain an enrollment option in Livingston County whereby you can access the Northwest New York Dairy, Livestock, & Field Crops Team, in addition to the County enrollment.

The Team brings expertise to participants and continues to address individual needs. Workforce training, Hispanic labor management and training, environmental concerns, and production management and profitability continue as areas of concentration for our agriculture programs.

There will be **differential fees** for attendance at meetings such as Corn Congress and other Team activities. NWNY Team enrollment will secure you a lower fee. Your out-of-pocket costs are a bargain by any available comparison.

In addition, NWNY Team enrollment connects you to a variety of event and activity notifications, timely management and production updates, in-field educational opportunities, in-region consultations, and more. You will also receive their monthly newsletter, *AgFocus*. Include your e-mail for “short” notices and/or to receive their publication electronically.

*Cornell Pest Management Guidelines* are available in print, online, or both in a bundle! The print and online versions are the same cost – with the bundle available at a discount.

Questions? Call me at the Extension Office at 585-991-5420 or 585-335-1752.
