February 2020

Dear Livingston County 4-H Friend,

The 2020 Livingston County 4-H Animal Science Programs are busy planning for their upcoming program year. These youth programs provide youth with educational opportunities to explore their own animal science interests while developing valuable life skills. Throughout the year, 4-H youth are provided with hands-on learning experiences, resources, expertise, competition and evaluation feedback helping them navigate their own animal science interests. The exploration process also allows youth to learn and cultivate important life skills that will allow them to be successful throughout their lives. For most animal science 4-H members, their project year comes to a completion with a positive and enjoyable experience exhibiting at the Hemlock Fair. Many 4-H youth will also sell their market animals at the Hemlock Fair 4-H Livestock Auction on Saturday, July 25, 2020.

The 4-H Animal Science Programs are seeking your generous contribution to help support their educational efforts. Your tax-deductible contribution will help cover expenses associated with program resources, educational events, shows, awards, market animal auction and the Hemlock Fair exhibiting experience. The programs and their 4-H members are extremely appreciative of your support!

Please consider contributing to one or all of the following 4-H Animal Science Programs by submitting your contribution with the enclosed **2020 Livingston County 4-H Animal Science Programs Sponsorship Form** by May 1, 2020:

**\*\*4-H Dairy, Livestock & Market Animal Auction Program\*\***

**\*\*4-H Horse Program\*\***

**\*\*4-H Small Animal Program (Rabbit, Poultry, Guinea Pigs, Dogs & Pets)\*\***

We greatly appreciate the animal science program(s) and the amount(s) of contribution that you are able to sponsor. Each animal science program has its own sponsorship goal, contribution levels and sponsorship recognition plan. Please see the enclosed sponsorship form for these specific details.
