## Deadline to Enroll/Reenroll is April 30, 2022

**Note to New Families:** It is *highly* recommended that you contact the 4-H Youth Development Team prior to enrolling. You can contact one of the following members for information on how to get the most out of the program:

Mark Wittmeyer: [mjw16@cornell.edu](mailto:mjw16@cornell.edu) - For questions regarding animals.

Renee Hopkins: [rh445@cornell.edu](mailto:rh445@cornell.edu) - For questions about joining or starting a club and non-animal programs.

## COMMONLY ASKED ENROLLMENT QUESTIONS:

Residence: What is a **Farm** vs. **Rural** in the Residence Section? A Farm indicates that your family generates income from farming (at least \$10,000 per year). Most hobby farms would be considered Rural, not Farm.

### Youth Section:

Project Areas: These are the areas your child expects to learn about/participate in during the coming 4-H year. You can find a list of project areas here:

<http://ccelivingstoncounty.org/resources/project-pin-areas-1>

Club Name: You can belong to more than one club and/or be both in a club and do things independently in 4-H. Just try to connect the Project Area with the Club you are doing that with. For instance, you might be doing Arts & Crafts with the Lucky Clovers Club and Poultry Independently.

Why do we ask for **Race** and **Ethnicity** information? 4-H receives federal funding and is asked each year to collect and submit demographics reflective of the population we serve.

Photo Release: We used photos primarily in our Livingston Livewire newsletter and other publications, Facebook posts, website and in marketing publications.

COVID Assumption of Risk: If you are planning to attend any in-person activities, we need to have this form signed.

Acknowledgment of Risk: Be sure to include all youth names in the appropriate activity boxes based on what you expect to be doing in the coming year.

Signatures: We need **all youth** to sign the form (even 5-year-olds) printing is fine as well as electronic signatures. The form isn't complete without these signatures.
