- ▶ You will have both counter space and a vertical space behind the counter space to use for your display area.
- ▶ If you are part of a club, you will want to work with your club members so that all of your exhibits are displayed well together.
- ▶ Your display should reflect your personality, have color, balance and be appealing to look at.

Setting Up Your Display

- ▶ Consider adding to your Backdrops/Background
 - ▶ Feel free to cover the background and counter space with table clothes, fabric, curtains, or other covering - just remember, you will need to be able to remove it.

Setting Up Your Display

 - ▶ You can also use boxes or bins with fabric covering them
 - ▶ The vertical space behind your counter space can be used to hang items too
