WHAT'S GOING ON IN 4-H?!

THANK YOU ALL!

It is with mixed feelings that I leave CCE Livingston County. I have accepted a position at KidStart as a Preschool Special Education Teacher. I am excited to return to this role, but very sad to be leaving 4-H and our remarkable community of families. I am hopeful that I will return in the fall as a 4-H Volunteer myself, where I can join you all in the program once again.

I am so extraordinarily grateful for the past 10 years at CCE Livingston as a 4-H Educator. It has been a joy and pleasure to work with you all in supporting youth as they find their sparks and passion. Thank you all for allowing me the opportunity to join you in this effort! I feel so fortunate to have been able to do this work for the past decade.

I wish you all the best as you continue to thrive in 4-H!

thank you

Best Wishes Renee on Your Next Chapter!

We are sad to announce that Renee has left the Livingston County 4-H Program for another wonderful career opportunity effective January 24th. Renee spent just a little over ten years with us as an educator. In that time, she made an incredibly positive impact on hundreds of youth and adult volunteers in our county and across the state. She helped us all to become better members of our 4-H community. She will be missed, but has promised to be back as a 4-H volunteer in the future. Thank you Renee for all that you have done for and given to the 4-H Program!

ANIMAL SCIENCE

CONSIGNED MARKET HOG & LAMB PROJECT

If you are interested in or planning on exhibiting a market hog and/or lamb at the Hemlock Fair and selling it in the auction you should be doing 4 things at this time:

- Making sure you are currently an enrolled 4-H member. If you are not sure, please contact Jenn Schwab at jls669@cornell.edu.
- Reading the 2023/2024 4-H Livestock Sale Rules for complete project information, rules, changes from last year, etc. These can be found at <https://cclivingstoncounty.org/resources/23-24-auction-sale-rules>.
- Seeking producers/sources for your project animals. Ownership deadline is May 1st.
- Making plans to complete the required pre-fair animal education requirement in order to exhibit at the fair. See page 12 of this issue.

Contact Mark at mjwl6@cornell.edu with questions about the project and continue watching the Livewire for project details and updates!

ANIMAL CRACKERS

Saturday, May 4, 2024 | Cornell University
ALL CREATURES GREAT & SMALL:
FEATURING HORSE, SWINE, BEEF, & DOG!

Registration: \$25/youth participant. \$10 per adult/chaperone.
Register by contacting Mark at mjw16@cornell.edu no later than April 22nd.

The annual Animal Crackers program provides New York youth with fun, hands-on, science-oriented learning experiences on Animal Science topics.

This workshop is for 4-H members interested in learning more about their favorite livestock, companion or pet animal species; emphasis on different species groupings and activities varies annually. Participants will learn about different aspects of animal care, interact and exchange information with faculty, staff, students, professional producers, industry experts, and more, utilizing the unique facilities of Cornell University. Hands-on workshops are planned for each species group. Suggested age range is 8-12, however, all youth 8 and up are welcome.

Complete event details may be found at
<https://cals.cornell.edu/nys-4-h-animal-science-programs/state-events/programs/animal-crackers>

OPEN TO ALL AGES AND SKILL LEVELS

2024 NY Farm Bureau Youth Scholarship

Open to a 2024 graduating high school senior who will continue their education to prepare for a career in some way connected to the diverse agricultural industry. Applicants must live or work on a farm or be involved with agriculture via any avenue. A Family Farm Bureau or Student Farm Bureau membership is required and may accompany application. Applications and information available at www.nyfb.org or by calling 1-800-342-4143. Completed applications must be returned to NY Farm Bureau in Albany. Deadline: March 11, 2024.

Attention 4-H Dairy & Livestock and Small Animal Program Families

Your help is needed seeking program sponsorship!

The annual sponsorship drive for these programs has started. Sponsorship allows resources, materials, supplies, and show awards to be provided for these programs and the 4-H youth involved in them. The Hemlock Fair 4-H animal shows and the market animal auction require sponsorships to make these opportunities sustainable each year. Our sponsorships goals are \$3,500 for the Dairy/Livestock/Auction Program and \$1,000 for the Small Animal Program. If you, or someone you know, are interested in sponsoring one or both of these programs, please email the name/business and contact information to Mark at mjw16@cornell.edu.

What's Bugging You? Insects & Critters of NYS 4-part virtual series.

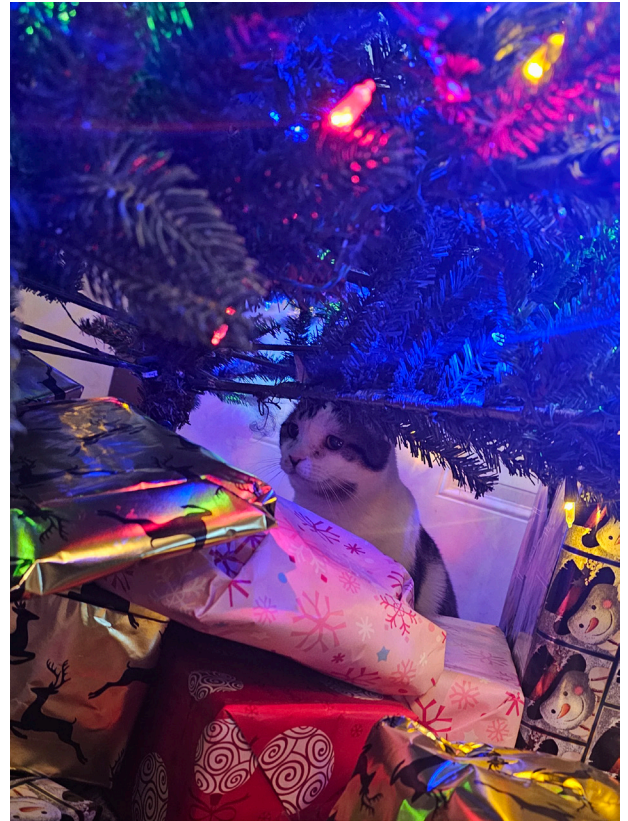

Brought to you by The Youth Nature and Outdoor Environment Program Work Team.

Virtual Zoom Sessions will be held at 6:30pm on:
Wed. Feb 28, Wed. March 6,
Wed. March 13, & Wed. March 20

What makes an insect an insect? And are they different than bugs? This group of animals is the most diverse on the planet with an estimated 5.5 million species, of which only 1 million are known and identified. They outnumber humans in every way and affect our daily lives in many ways for good and for bad. Join us for 1 session or for all 4!

Each session will be 45-minutes and jam-packed with educational fun. This series will unravel the mysteries of insects, with experts from Cornell University, Albany Pine Bush Preserve & 4-H educators presenting this program.

****ATTENTION ALL HEMLOCK FAIR 4-H ANIMAL EXHIBITORS****

PRE-FAIR EDUCATIONAL ACTIVITY REQUIREMENT

All Dairy & Livestock and Small Animal exhibitors exhibiting at the Hemlock Fair are **required to complete one 45-minute animal-related educational activity by July 1st**. Cloverbuds are exempt:

- This requirement is for all members exhibiting at least one of the following species: Rabbit, Cavy, Poultry (Fancy & Meat Birds), Dairy, Beef, Goat, Sheep, or Swine
- Only 1 activity required regardless of the number of species being exhibited
- Failure to complete this requirement on time will result in forfeit of all fair animal premiums for the species listed above
- An activity can include any of the following:
 1. Any Livingston County 4-H Animal Activity Night participated in during current 4-H Year
 2. Participation in the Livingston County 4-H Public Presentation Program (**MUST be an animal-related presentation**)
 3. Any county, regional, state or Cornell University-sponsored 4-H animal science activities
 4. Independent 4-H animal activity pre-approved by a 4-H educator. A completed Pre-Fair Educational Activity Form must be completed and submitted with this option. Form may be found at <http://ccelivingstoncounty.org/resources/pre-fair-educational-activity-form>. Examples may include researching an animal-related topic of interest, attending an animal show, participating in a hands-on animal experience with a knowledgeable adult, watching videos/presentations on raising/showing an animal, etc. Contact Mark or Jenn regarding one of these ideas or if you have one of your own.

If you are willing to work with us, we will work with you to complete this requirement! Questions? Contact Mark at mjw16@cornell.edu | 585-991-5441 or Jenn at jls669@cornell.edu | 585-991-5439.

Tompkins Community Bank 4-H Livestock Scholarships

Tompkins Community Bank will be sponsoring 4-H livestock scholarships again this year. A \$100 swine scholarship and \$100 sheep scholarship will be awarded to deserving members to help purchase a market or breeding animal project in each species.

- Any enrolled 4-H member is eligible to apply for all, but may only win one in a given year.
- The application process will include an application, knowledge test, interview, letter of recommendation, reference checks, and a possible housing/facility visit.
- Pick up a scholarship application packet from the office or on the website: www.ccelivingstoncounty.org (4-H Dairy & Livestock page).

Application Due: March 1st
Interview: March 15th

Contact Mark for more information

CLUB NEWS

Livingston County Nibblers

The club learned how to properly care for their rabbits. Members also learned how to trim a rabbit's nails with a demonstration using one of Kiara's rabbits. Following the talking part, they made a snuffle mat enrichment toy. Kiara also demonstrated for a couple younger members how to hold and flip a rabbit.

Lightning Bolts Club

In our December meeting, we talked about upcoming events and made Gingerbread House ornaments out of popsicle sticks. In our January meeting, we talked about upcoming events, made play dough, and went over proper measurement techniques.
